

Reinventing Traditions

crafted to  
perfection

# Imagination

knows no boundary

*At Zundaa, imagination and strong passion for details go behind every jewelry marvel, ensuring a signature style that is unmistakable. We have honed our skills for years making fine, high-end diamond and gemstone jewelry for some of the most acclaimed jewelry companies in the US and India. As one of the leading jewelry manufactures of couture jewelry designs, Zundaa is empowered with over four decades of experience, has nurtured robust relationships with its valued clientele and suppliers in key markets across the world.*

## Necklaces

*A bold and stunning design or a dainty piece.. go on  
make your style statement*

# Innovation

begins at the design table

*Innovation and Change is the only constant for us. With intricate fusion of global trends and Indian traditions, we create a series of timeless designs. Zundaa is a name synonymous with unparalleled craftsmanship and exemplary design, the range we offer comprises of high-end couture jewelry to elegantly designed daily wear needs, a collection that is perfect for all occasions, as we believe jewelry is not just for occasions, but to Celebrate - Everything, Everyday.*

# Bangles and Bracelets

*Intricately designed diamond bangles and bracelets...add a touch of elegance and sparkle.*

## Ingenuity

*We are dedicated to creating jewelry that makes an elegant statement and is opulent in style. With the ingenuity of our team, each creation is unique and an exceptional work of art, whilst attention to detail is regarded as sacrosanct. It's our passion for jewelry and the love of fine craftsmanship, that each jewelry piece at Zundaa is designed & crafted with great finesse and masterfully detailed. Our highest standards of Quality, Service, and Price Competitiveness have strengthened our reputation in customer satisfaction.*

## Rings

*Show stopper cocktails to stunning solitaires, sure to get a sparkle in your eyes*
